

Imperialism in China

Look at the film and answer the questions

<https://www.youtube.com/watch?v=PMgjDUt-2f8>

1. What products did the Europeans want from China?
2. What kind of a problem did Great Britain have with its trade with China?
3. How did Britain solve it?
4. Why was that a problem to China?
5. What did Chinese do to stop Britain?
6. What concessions did China have to do after losing the Opium Wars?
7. Who are the people in the picture? What does it tell about China and other states?
